

Office of Formation & Leadership Development Internship Site Evaluation

Name of Intern:

Name of Supervisor:

Internship Site:

Address:

How/Why did you choose this internship site?

How pleased are you with your choice of internship sites? (choose one)

Did you receive a stipend/financial support from your internship site?

If yes, amount?

What about your internship site did you most enjoy?

What about your internship did you least enjoy?

Were you able to readily achieve the goals of your learning covenant at this site?

What, if anything, made you able to achieve your goals?

What, if anything, interfered with your achieving your goals?

Whether you achieved your learning goals or not, would you say the site provided you with a learning environment that was supportive of your call?

Would you recommend this internship site to another intern?

If "it depends," please explain.

What makes this site most valuable as a teaching congregation/agency?

The next few questions have to do with your Supervising Clergy:

How would you rate your Supervisor as fulfilling your expectations for internship?

How much one-on-one time did you spend with your supervisor per week?

Did your supervising clergy take a personal interest in your vocational/leadership development?

If yes, what kinds of things did your Supervisor do that communicated her/his interest in your vocational/leadership development?

If no, what would you have liked your Supervisor to have communicated to you about your vocational/leadership development?

Would you recommend this clergy as a Supervising Clergy to other interns?

If yes, why? If no, why? If "it depends," please explain.

The next few questions have to do with your Internship Committee, if applicable:

Did your internship involve an internship committee or other learning partners?

Names of internship committee members:

How would you rate your experience of the internship committee?

How often did you meet with your internship committee?

Did your internship committee take a personal interest in your vocational/leadership development?

If yes, what kinds of things did your Committee do that communicated their interest in your vocational/leadership development?

If no, what would you have liked your Committee to have communicated to you about your vocational/leadership development?

Would you recommend this Internship Committee to other interns?

If yes, why? If no, why? If "it depends," please explain.

Is there anything else about your experience at this internship site that you would like us to know?
