

Office of Formation and Leadership Development

ANNUAL MAP PROGRESS REPORT

At your REVM (Readiness for Entering Vocational Ministry Retreat), you were granted "In Care" status with Metropolitan Community Churches and given a MAP (Ministry Action Plan), which outlined the steps and requirements you should meet prior to applying for ordination in MCC. On an annual basis, you should submit a form that documents progress made in the previous year, including verification of the required cohort calls/webinars (as applicable) and reflection paper due on December 31. This form should be submitted along with your reflection paper. Please contact RevKharmaAmos@MCCChurch.net if you have any questions. (Note: If no progress has been made on your MAP in a year, you will be placed on "inactive" status until you resume your MAP or make other arrangements with the OFLD.)
